- 25 March – Good Friday
- 8 April – Last Day Term 1
- 25 April – ANZAC Day
- 25 April – ANZAC Day march
- 26 April – First Day Term 2

Change of Infants Sport Day

The Infants Class (K-2) will be joining with the Primary Classes for sport next week only. This means their sport day will be on Tuesday in the last session (after lunch). This is the only change to sport times and only for next week.

Whole School Devotions

Mr Pullar presented our whole school devotion on Monday morning by conducting a little science experiment. Shaianne and Lugaidh were his enthusiastic volunteers for this experiment. In one mug he had water and salt, in the other, water and sugar. Mr Pullar went on explain that it looked as though both mugs contained the same solution and it wasn’t until we tasted the solution that we knew what it was. Read Mr Pullar’s article on the next page to see exactly what he explained next or ask your student to see if they can recall what he spoke about.

Zone Swimming

We congratulate Lugaidh Jennings-Gallagher and Thomas Holschier on representing our School in Orange today with the zone swimming. A huge THANK YOU to their parents for driving them all the way for the day as well. We are looking forward to hearing of your adventure next week 😊

If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

2 Chronicles 7:14 NKJV
Head of School News

This week I would like to focus on the role of the School in helping to form the character of the students in our care. This role involves a partnership between the School and parents and carers. When students are enrolled we seek a commitment from parents and carers to work with us in the Biblical task of training up children in the way they should go”. In other words influencing them to make right choices in what they do and say.

Sometimes children will “try out” a way of behaving towards others and may appear to be acting “out of character” and in ways that hurt, harm or annoy others. When this happens we need to step in and help the children to see the impact of their actions on others. If we have concerns about your child we will contact you and we ask that you do the same. The first point of contact should be your child’s teacher.

On Monday at our whole school devotion we looked at the fact that it is what is on the inside of each of us that comes out when we are under pressure. Jesus offers a way for us to deal with these things in a way that cleanses us and changes us.

Jesus said: “I have come that you might have abundant life” John 10:10

Andrew P Pullar
Interim Head of School
